### Touché Components

- SP+** SmartPack+  
Standalone room controller
- M** Wall Station  
Color
- D** Smart Switch  
Decorator
- SLC D** Smart Load Control  
Dimmable
- S** Smart Sensor  
Dual technology (PIR/passive acoustic) occupancy / vacancy sensor with built-in photo sensor.

### Cable Type

----- CAT5 (minimum)

Different wall station types can co-exist maintaining common functionality between types.

Our wall stations are configurable with software, so a presentation scene button can be added without changing the wall station.
